Dear Brother Yussuff:

I am writing to acknowledge your union's generous financial contribution to our community centre renovation project.

The entire membership is very pleased and appreciative of your support. Our renovation is moving along on schedule and is slated to be completed by mid-July.

On a personal note, I would like to extend congratulations to you on your election as executive vice-president of the Canadian Labour Congress. I am confident you will do a very good job in your new position speaking out and defending working people across Canada.

Again, many thanks for your support.

Yours in solidarity,

Herman Stewart  
President
